汉语水平考试 (HSK) 网考

汉语水平考试 (HSK) 网考 (以下简称 : HSK网考) 是经国家汉办批准 , 在纸笔考试形式的基础上新增的一种考试形式。HSK网考支持在线发放试卷、在线作答听力题、书写题、口语题等多种题型 , 并可以网络回传考试作答数据 , 整个考试过程实现了无纸化操作。

HSK网考为考生提供了多种考试形式的选择 , 在帮助考生提高汉语水平的同时 , 也为汉语在信息化时代的推广及国际互联网上的应用起到了推动的作用。

孔子学院远程教育中心于2010年4月经国家汉办批准成为汉语水平考试国内首个网考考点 , 负责承办HSK网考并承担HSK网考系统的建设工作。

HSK(Chinese Proficiency Test) Internet-Based Test

The HSK Internet-Based Test is authorized by Hanban (Confucius Institute Headquarters); it is a new form of test, technologically one step up from the original Paper-and-Pencil Test. It includes listening, writing, and oral segments. The test is distributed to test takers and answers are submitted electronically.

The HSK Internet-Based Test allows test takers to have one more choice out of other test formats. It helps improve test takers' Chinese proficiency, as well as promote Chinese language in the information era and its application on Internet.

The Confucius Institute E-Learning Center was authorized by Hanban in April 2010; it is the very first Internet-Based test Center for the Chinese proficiency test. It takes on the HSK Internet-Based Test as well as the construction of the web system.

汉语水平考试 (HSK) 网考三大优势

报名期限 更充裕

1. 缩短考试准备时间，因无试卷印制和邮寄使报名截止时间提前至考前10天，最大限度地为考生报考提供便利。

音频独立 更清晰

2. 听力试题音频独立播放，减少相互干扰并不受环境噪音的影响，使考生听得更加清晰。

键盘输入 更快捷

3. 考虑到考生在实际汉语应用过程中大部分使用键盘输入方式，因此汉语水平考试 (HSK) 网考考试方式即为考查实际应用能力，使用键盘输入，快捷方便。

Three Advantages of the HSK Internet-Based Test

■ Extended registration period

The preparation time for the test is shortened. Because there is no printing and mailing involved, the registration deadline is pushed forward to ten days prior to the test, offering the best convenience for test takers during the registration process.

■ Better audio quality through individual headset

The headset is provided to test takers to perform their listening test, avoiding distraction from background noise and ensuring audio quality.

■ Key in answers

Due to the fact that test takers key in Chinese in their daily practice, the HSK Internet-Based test conveniently assesses test takers' typing skills.
